Dear Members,

We write to inform you of a recent decision made by the Board of the Hazelbrook Bowling Club regarding smoking on the bowling greens.

After careful consideration and in line with our commitment to the health and well-being of all our members, the Board has passed a motion to restrict smoking on the bowling greens.

The new policy is now effective, and we kindly ask for your cooperation in adhering to these changes. The primary aim of this decision is to create a healthier and more enjoyable environment for all members and visitors.

To facilitate this change, designated smoking areas have been identified as two places:

- 1) In between the two greens at the opposite end of the clubhouse.
- 2) The corner of the top green that is closest to the carpark from Bonnie View Avenue.

Please see attached map if further clarification is needed.

These areas have been chosen to minimize any inconvenience to both smokers and non-smokers while ensuring the overall enjoyment of the bowling greens.

We understand that this may be an adjustment for some members, and we appreciate your understanding and cooperation as we work together to create a more inclusive and health-conscious club environment. If you have any concerns or questions regarding this decision, please feel free to reach out to a board member who will be more than happy to assist you.

Thank you for your attention to this matter, and we look forward to your continued support in making Hazelbrook Bowling Club an enjoyable and welcoming place for all.

Kind regards,

Board of Directors, Hazelbrook Bowling Club
